## LOVE BOMBS – AKA GRANTS, CASH GIFTS, SCHOLARSHIPS – FOR CANCER THRIVERS AND SURVIVORS.

Whatever you want to call the financial contribution, The Rural Gone Urban Foundation awards **judgment-free grants to women in the ring with cancer** who are focused on establishing a living legacy for their loved ones.

Love Bombs focus on establishing a **living legacy** or for lessening the burden of kicking cancer off their lawn. We envision recipients making memories and moments where cancer isn't driving the ship.

Because sometimes  
you just need  
someone in your corner.
